The Netherlands to The United States of America**

LAS VEGAS—Honor365®, a 501(c)3 nonprofit organization, in coordination with ‘Hero 1,’ a 53’ semi-truck trailer with HVMC Transportation LLC, Fallen Hero Network LLC, and The Honor Network (U.S. Honor Flag) are picking up a 9/11 replica model of the World Trade Center plaza from the Port of Galveston, Texas that arrived from The Netherlands on December 26, 2020 via the Freedom Vessel with American Roll-On Roll-Off Carrier (ARC).

A nationwide exhibit tour begins January 22, 2021 and runs through September 12, 2021 to commemorate the 20th Anniversary of 9/11. The 9/11 replica model was given to Honor365 on behalf of The United State of America by Daan Van Der Steijn, Creator, from Deurne, The Netherlands. The tagline for the full exhibit, “Remembering the One®. Remembering Them All®.”

On March 23, 2021, the public is welcome to join us at the Nevada State Veterans Memorial (555 E Washington Ave, Las Vegas, NV) for an Honor Walk beginning at 11am. The focus of the 1-hour program and walk is to remember and honor the 9/11 fallen and local heroes of the State.

From January 22, 2021 through September 12, 2021, we invite the public to visit the 9/11 exhibit at specific locations throughout the United States. You can visit our website and social media for the most current information.

Honor365’s mission is to provide resource and referral support to veterans, first responders, and their families. The vision: A world without suicide. Honor365’s pillars include education, employment, healthcare, and housing.

Honor365 proceeds from this nationwide tour are dedicated to supporting mental wellness for veterans, first responders, and their families. It is anticipated that the exhibit will help heal and unite the world in numerous ways. “We understand first responder and veteran suicide is of great concern, and that the world has gone through so much recently,” said Dr. Ninzel Rasmuson, Founder of Honor365. “From firefighters, law enforcement, EMS, 911 dispatchers, veterans, and our troops, and many others who are on the front line of helping those in need, the stress from this line of work can take its toll. Honor365 will continue to support the wellness of those we serve by helping those who help us every day.”
